

## OUR THOUGHTS

We want to learn about and experience the diversity of races and cultures that God has created. We want to use our lives to glorify God and serve others. Through this challenging and exciting experience, we will grow in faith, knowledge, and maturity.

## JULY 2010

## OUR LEARNING

- China has the world's longest continuous culture with a 5,000 year history
- China has the largest population in the World at over 1.3 billion
- Christians in China number 5-10% of the population at highest estimates.
- St. Croix has 35 Chinese students who know our culture and language and need us to understand theirs.

## OUR SERVICE

Students will volunteer for 4-5 days at a VBS camp run by a volunteer organization for teaching English in China. Students are preparing dramatical performances, songs, arts and crafts, sports, and activities to enhance their teaching and outreach to the children at the camp. The camp is outside of the capital city of Beijing, China.
